

Newsletter, December 2016

We Wish You LOVE!

December is time of giving gifts, but by giving and receiving material things only we can feel very empty. What can really touch us deeply is the experience in which we feel engaged. These are the most beautiful and invigorating stories that are written in your and our hearts. All trips we've been creating in ApiRoutes for many years, they all emerge from love.

If I shall summarize the year 2016 in a single sentence, it reads: **ApiRoutes is inspiring people around the world!** Wow, the best words we could imagine to hear and a true award for us. Do you know we lunched ApiRoutes India this year? We follow our goals and this is one of them - ApiRoutes Worldwide!

If you could feel how excited we are! You know why? You are inspiring us as much as we are trying to inspire you with our travel tips and trips. We, "hardworking bees", right now we conceive and create new Api tours, Api well-being programs, professional trainings, lectures, workshops,.. and much much more - new, inspiring trips&events. Have you ever considered what easy steps you can take towards better and healthier life style? You may try Api Nutrition or Api Detox Programs. Well, some of our Api sweets & treats have to remain secrets. Follow us on www.apiroutes.com, FB, Linkedin and make sure you don't miss important dates and information.

Here are just some hints for the next year: Api Nutrition workshop – Slovenia March; Slovenia – Women Only Tour, Api Detox Programs, Pearls of Slovenia and Croatia, Bavaria tour. Don't miss best sellers: Slovenia, Sicily, Croatia, Apitherapy Romania. We are adding also Api Malaysia, Vietnam, India, Madagascar,... More to be found on our web-site and in January's newsletter.

There is so much we want to share with you. All of you, our wonderful Api friends from all around the world are warmly invited to travel with us also in 2017. Experience our trips to the fullness. Open your heart, let it say what it feels, what it wants, what it needs ... Listen to your heart, follow it and let the heart take decisions. Remember what Little Prince said: *"It is only with the heart that one can see rightly; what is essential is invisible to the eye."*

Merry Christmas and Year full of Love! Tanja Arih Korosec, CEO & director

Let us invite you to visit Slovenia, the land of good beekeepers

- 'Slovenia is country of great apiculture, renowned beekeepers and unique beekeeping practices (A-Ž hives which enjoy a number of advantages over box hives).
- The cradle of modern apitherapy and a paradise for well-being treatments.
- Protected native Carniolian bee (to preserve the breed and its characteristic gentle character), queen breeding/mating stations and selling pedigree queens.
- Premium quality honey with EU protection and innovative bee products.
- A unique certification system of api-tourism service providers, professional licensed guides, personal approach, sustainable green eco-tours, study and training programs as well as camps for young enthusiastic beekeepers.
- Global recognition: Coordinator of Apimondia Working Group on Api-Tourism.

For those who have experienced Slovenia, don't miss other api destinations: Slovenia, Germany, Sicily, France, Turkey, Israel, Australia, Romania, etc. Contact us at info@apiroutes.com and require your customized api excursion.

10 advantages of participating on an Api Tour

1 **Excellent beekeeping practices.** Different Api Experiences offer you an insight into the work of beekeepers, their philosophy and techniques.

2 **Sharing experiences and networking.** Get a special opportunity to share experiences.

3 **Lectures, courses and workshops.** Acquire practical skills and learn about new principles or techniques from the experts, engaged into different interesting fields of beekeeping.

4 **Local apiculture, cultural and culinary specialties.** Taste, smell and try out high-quality local bee products. And take some with you.

5 **Professional guidance.** Our multilingual guides are trained in beekeeping.

6 **Innovations.** Choose a perfect way to see, learn, try and discuss the newest innovations and techniques, very useful for your beekeeping work, too.

7 **Bee queens and beekeeping equipment.** Take an opportunity to visit unique bee breeding stations as well as buy new beekeeping equipment.

8 **Learn about new country.** Api Experiences are always combined with touristic visits, so you'll get a cultural, historical and political overview over the specifics of the destination; learn about local habits and way of living.

9 **Connect more with fellow beekeepers.** Travelling in a group has many advantages, among others the travelers get more connected with each other.

10 **Personal enrichment.** By travelling in a sustainable and environmentally friendly way, you contribute to your better life and also to a better life of our future generations.

Visit www.apiroutes.com or follow us on [Facebook](#) to explore **Api Experiences Beyond Beekeeping**. ApiRoutes – Apitourism combines a unique range of experiences captured in unspoiled nature, culture and

spirit. It's very unique approach to travel - travel as inspiration, education and enrichment. Our professional multilingual team is happy to assist you in creating your own Api Experience!
